MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

After Christmas and New Year had passed, Klukwan settled down to winter sleeping, mixed with a little wood cutting, and basket ball playing.

A real cold spell came upon us from the north and for three weeks it was really cold for here. The Hi-way was covered with ice and a number of cars went off the road. The road is still covered over half way to Klukwan. I spent one night in Klukwan when the temperature dropped to 16 below Zero. I arrived up there about 4 P.M. and had both oil stoves going all night, and by 6.00 o'clock the next morning it was only 30 above in the house. I did not sleep much that night. Was about sick and after the morning service I returned to Haines. was in bed all day Monday and had to see the Doctor on Tuesday.

We laid dear old Mother Willard to rest on Monday the 12th. She was well known, and a number of folks came from far to attend the funeral. She was near 100 years old, but no one knew exactly.

There are no thrills this month.

The experiences have not been very gratifying: yet since it is over, or practically so, I hope, I am still living. The experience was 2 weeks in bed with the illness that has attacked so many this winter. Such pain in arms & shoulders, head-ache & general weakness.

Sorry to be so late with this report. I was at Kluksman yesterday and got the report to make this up. A lot of sickness there also.

The old saying, "march comes in like a lion, it will go out like a lamb." Well, - it came in like a lion & remained that way. Snow slides and drifts prevented me from making three trips to Klukwan. Two on Sundays and one on Wednesday night.

About the most exciting thing of the month is, We are all alive on April 1st. March was really rough!

The most remarkable thing of this month was the three beautiful, most perfect days we had at Skagway during Presbytery. The rest of the month was filled with dreams of "Spring Days" coming, only to be shattered by Cold North winds and we are still held in the grip of frost as we go into May.

Even at that, - it is Alaska for me. No floods, no cyclones, not many speeding cars, and many other man-made dangers. Only now & then a light to heavy earth quake to keep us settled. A wonderful country to live in.

Spring time was a little slow and cool in getting started, but the spring activities were in full swing. The closing programs for the Public Schools, the final performance of the Chiors for the season, and the beginning of the summer work was showing up on the docket.

The Junior Choir from Haines came to Klukwan on the eleventh and gave us a very fine service, led by Mrs. Hartmann.

The Leadership Training School. May 24 to 29 was the Highlight of the month. We hope this will continue from year to year. It is a most worthwhile enterprise for the Church.

The first fishing opened in May and some of our Klukwan men went toward Juneau to fish and the reports are that they did fairly well. We are hoping for a good harvest this year, but there is some doubt as to this.

The Village began to break up after the second week and soon moved out to the Cannery Village, 27 miles from Klukwan.

We had a picnic for the old children on the 14th in the afternoon and from then on only a few little folks are left in town who are not large enough to fish.

The Seminar with Dr. and Mrs. Jackman was a joy to all of us. I'm so glad they could come to Klukwan for a couple of hours. This was the first time the houses were open to see the old Tribal treasures.

The folks at the cannery rather come in to Haines for services on Sundays at 11⁰⁰ A.M. ~~rather~~ than to try to have an after noon meeting at the Cannery.

The fishing isn't very good so far but fishermen are always looking for better days and keep on trying.

There are only a few folks in the village, most all are the old folks & the men who are drilling for the Mining Company. The children will be back the 1st of Sept. for school.

Nothing exciting to report during the fishing season this month.

They have been taking a fair harvest of fish this month. Weather has been windy and more rain than usual, so it has been a bit severe on the fishermen.

The village folk are fairly well.

There is not much to report of doings at Klakwan, other than rain or snow every day for the last three week.

There is no electric light at the Church for evening service. but we hope this will be taken care of soon. I am encouraging the folks to have their own power and not depend on the Board for so many things.

We do not know what is hapening to Alaska. Haines has had no end to stormes for the last 6 weeks. Roads blocked and ice so that travel is very difficult. One week only one plane got into Haines. A number of days we had no plane.

I was in Klukwan only 3 times during Dec. due to such bad roads and being quite ill the last week. of Dec & first week of Jan. I'm sitting up today but rather tottery.

Hope to be on the go next week.

Plans are being made (were being made) during the month of January for the re-modeling of the church, work to being Feb. 9, with the Trustees in charge.

Election of new officers took place in the afternoon of Jan 25, also installed them the same night. Rev. Paul Moser of Ketchikan was in charge.

The Presbyterian Men served a dinner during the day of the meeting and election of officers.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

This month has found our church buzzing with activities, the men working in the church, and the women cooking meals. All the organization more active than before.

The Navigators voted to support Rev. Gary Demarests' trip to Metlakatla as Special speaker, I felt this was a big step on their part since they are a newly organized group, and have no real spiritual life as they should have/ They are an extra active group which is turning out to be very successful in attracting the young couples in our community.

The S.J.S. Choir came and presented an excellent concert which was enjoyed by all. We had a full house, the Navigators served refreshments in their honor following the concert.

On Feb 22nd (because of some difficulties which arose in our church, we had a good attendance in the morning service.) I called for a re-dedication in our personal lives. 43 persons came forward. One person came to give his life to Christ for the first time, (he didn't come forward, he saw me later.)

The attendance has been coming back up, both in the sunday school and in both services.

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

All the organizations of the church were in full swing during the month of March.

- 1) the Presbyterian Men meeting with plans for the Easter Sunrise Breakfast and also to clean up the church, they spent two days scrubbing and waxing with a very good turn out.
- 2) the Presbyterian Women had their regular meetings with the beginning of a new Theme for their Bible Study.
- 3) The Navigators were busy planning for the Spiritual Emphasis Week which began on Easter Sunday.
- 4) The Choir practiced twice a week preparing for the Easter Concert, which was very good.
- 5) The Teen*Agers met on Sunday Afternoons, in which time I spoke on what it means to be a Church member.
- 6) The Prayer Meeting has shown a little improvements on attendance.

Everyone in the Church seemed to show a little more interest during the month of March, with all the activities going on, The members of the Navigators went visiting on people their ages and invited them to come to the meeting that they were sponsoring, with excellent results. We averaged 125 a night with the closing night a full house, Ketchikan came over to take part in the services, their choir sang two numbers, and Rev. Moser took part in the service.

After a full week of Special meetings, Easter concerts etc. and with Spring coming around as fast as it is, the Metlakatla Church is getting ready for the Halibut season and getting ready for the fishing seasons, sea-weed, fish-eggs, Ooligans, grease. Everyone that can, is getting ready for camping. Changing our program a little, all the faithful Week Day Bible Study people (mostly elderly people) are leaving for their camps, so next month we'll not have any more meetings.

The results of our Special meetings are very gratifying. One young man (age 28) has been a real encouragement to me in my work here in our Church, he has not missed a single meeting of any church services, Navigator meetings, and even Prayer Meeting, he wants to teach Sunday school after he learns more about the Bible and the Christian life.

Next month I will be leaving the church, but will continue to hold services until a man is sent to take over the pulpit.

The pastor and his family arrived June 11. A group from the church met us at the plane and brought us to Metlakatla. That evening we enjoyed a dinner which the women of the church had prepared for us and the officers of the organizations in the church.

We spent the first few days unpacking. Everything in the house was in good condition. Some interior re-decoration has been done recently, and we plan to do some more soon.

Attendance at both morning and evening services was above average for the first Sunday. I have done some calling in homes. Friday, June 19, Deloris McGinnis, Janice Prochaska and Elizabeth Essex (members of the Summer Service program team) arrived on the Anna Jackman to assist with Vacation Church School. We have had an excellent school under their leadership with help from Mrs. Henry Fawcett and other local people.

On June 25, Dr. Jackman arrived with a Traveling Seminar of about 30 people. The women of the church prepared the noon meal and some of the local church members joined with the group for lunch. After a tour of the village there was a brief service in the church with music supplied by two of our choir members. I think both groups benefit greatly from such a contact as the seminar affords.

I certainly appreciate the excellent leadership of the three young ladies who have helped in the Vacation Church School. Let us do everything possible to strengthen and enlarge the summer service program of our church.

This is a season of inactivity in the church due to the fact that so many of the people are engaged in some phase of fishing. Those that are not working in commercial fishing are fishing for themselves and canning and smoking salmon in preparation for winter.

A crisis threatened the whole future of our local cannery when for a time it appeared that the new state of Alaska would make good its promise to abolish native fish traps in the interests of conservation. The matter caused very grave concern here and received much publicity through press and radio. It finally went to the Supreme Court where an injunction returned the rights on fish traps back to the natives. When the decision came it not only gave Metlakatla the right to operate its fish traps but also resulted in the return to Kake and Angoon of their native traps which had been previously seized by the state officials. So there was much rejoicing this past month here and among all the natives of Southeastern Alaska.

Now that the men are out fishing some of the women are beginning to return to the activities of the church. A women's chorus has been started which provides music for the Sunday services. Bible School closed July 2 just before the big celebration the weekend of July Fourth. The celebration here was a big one because of statehood. Locally there was a parade and sports events for children and adults.

It is very difficult to carry on any kind of a program or even to hold regular meetings of officers because of so many people being away. A few are home on Saturday, but return to the fishing grounds again Sunday.

I was given the opportunity of conducting service at Annette Chapel where services are held Monday evenings. Ordinarily this is done by the minister of the Duncan Church, but he had to be away on the evening that services are held.

Thanks to the "Office" for the recent check covering the rest of our moving expenses to the field and the letter of explanation about the salary, pension, etc.

Attendance at services remained lower than average during the month just past. The fishing season was still open and the cannery was in operation. In fact there was work at the cannery on the last three Sundays of the month which meant that only a handful came out for the morning service. It was thought best to discontinue the morning service at least until September 6.

There were two weddings in the church during August. Both were in the evening and attendance was very large at both.

The women of the church held a bake sale and rummage sale which is an annual affair. Part of the money raised goes for the summer offering and for the opportunity gift.

Some of the young people are planning to leave Metlakatla, some will be away at school while others will be going on relocation. This has a real effect on the church program as there is a tendency to lose the best of our leadership in this way. The problem is that there is nothing here to hold the young people. Jobs are scarce and unless they want to fish, which is only seasonal, there is very little future for them. This will be increasingly felt in the years ahead unless some of the government projects coming in can provide more stable employment.

Some of the fishing boats have gone south for fishing in Puget Sound. They will be gone for several weeks. This has taken at least one of our Elders. Until just recently it has been impossible to get a quorum for a Session Meeting.

School opens next week. Quite a few of the teachers have already arrived. This means new people coming into town and we hope into the church.

The Duncan Church has plans for a vigorous program this fall and winter.

The people are moving back from the canneries, just about half of our boats are heading to the state of Washington to fish others are busy putting up fish for the winter's supply. I tried to have our evening service but none showed up as they come for the morning service and return to their camps in the afternoon to tend to their smoke house. I will be busy with the manse as I got the building material down from Hood Bay. I am sure that we will get our winter's program a going next month.

Two attempts were made to have regular choir rehearsals this past month, one of them partially successful and the other a complete failure. Fall fishing season interrupted our church's program, but I believe that now that everyone is back in Metlakatla, the regular fall program of activities may be resumed.

Church attendance has remained about the same. Sunday Church School seems to hold up rather well. It is still a problem to get teachers to come on time. We held our first teacher's meeting of the season, and I think that we have secured one new teacher. However, attendance at the meeting was very poor.

Certain of the Elders and the pastor were rather successful in securing church donations for the coming year's program. This was carried out in a house-to-house canvass (not all homes have been visited as yet) and resulted in a total of more than \$1100.00 raised thus far. There are still many families to be seen.

I feel certain that the month of October will see a great deal of increased activity in our church.

The pastor made a total of seventy-nine calls during the month of October with good results. Attendance at both services and at all other activities have shown a slight upswing. In addition to those activities reported on the reverse side, we had a showing of the film, "Second Chance" attended by thirty-five. "Face of the Future" was also shown to the group and 14 saw that.

Presbytery met in Ketchikan. The pastor attended without an elder to accompany him as "no one ever goes to the fall meeting."

The choir has been the scene of a great deal of increased activity this month. The Christmas Cantata music has arrived and extra rehearsals are being held each week in addition to the regular one. A great number of teen-agers have joined the choir.

The Navigators has started up again after several months of activity. Some interesting programs are planned for the future.

Two special meetings were held this past month. The Elders met with Dr. Jackman and a team on Evangelism from the Synod of Washington prior to the meeting of presbytery. Also about forty of our officers and leaders in the church met for a special "planning and talk-it-over" meeting. This combined the fun of a family night dinner with the serious business of discussing the whole church program. This meeting was of great help to the pastor as it will help in outlining a program for the entire year. This perhaps should become an annual affair.

Attendance is very low at prayer meetings. Talk has been circulating to the effect that we perhaps should combine our prayer meeting with that of the Duncan Church. This is some indication of the transformation that is taking place in feelings between the two churches. It is a little too early to tell, but opinions have been expressed by leaders from both churches that we may be entering into an era of "good feelings." If this actually comes to pass it will be a great step forward for this community.

INSTRUCTIONS

The pastor made a total of seventy-nine calls during the month of October with good results. Attendance at both services and at all other activities have shown a slight upswing. In addition to those activities reported on the reverse side, we had a showing of the film, "Second Chance" attended by thirty-five. "Face of the Future" was also shown to the group and 14 saw that.

Presbytery met in Ketchikan. The pastor attended without an elder to accompany him as "no one ever goes to the fall meeting."

The choir has been the scene of a great deal of increased activity this month. The Christmas Cantata music has arrived and extra rehearsals are being held each week in addition to the regular one. A great number of teen-agers have joined the choir.

The Navigators has started up again after several months of activity. Some interesting programs are planned for the future.

Two special meetings were held this past month. The Elders met with Dr. Jackman and a team on Evangelism from the Synod of Washington prior to the meeting of presbytery. Also about forty of our officers and leaders in the church met for a special "planning and talk-it-over" meeting. This combined the fun of a family night dinner with the serious business of discussing the whole church program. This meeting was of great help to the pastor as it will help in outlining a program for the entire year. This perhaps should become an annual affair.

Attendance is very low at prayer meetings. Talk has been circulating to the effect that we perhaps should combine our prayer meeting with that of the Duncan Church. This is some indication of the transformation that is taking place in feelings between the two churches. It is a little too early to tell, but opinions have been expressed by leaders from both churches that we may be entering into an era of "good feelings." If this actually comes to pass it will be a great step forward for this community.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons).

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Our Sunday Church School is totally disorganized, understaffed, and ill-equipped. There is absolutely no discipline among the children. They are ill-mannered and disrespectful of persons and property. We could certainly qualify for the most wasted hour in the week. Parents do not seem to care whether their children come or how they conduct themselves while here. When I spoke to one mother about her children coming to the church too early, she told me that they got up and got themselves ready and she did not know what time they came.

When I finished the service this morning, I wished I were dead. It was an absolute disgrace and an affront to God Almighty. There was so much noise and confusion that I couldn't keep my mind on the sermon. Very few make even an attempt to enter into the singing, and the other music in the service was a disgrace.

I have been meeting with the teen-agers in the afternoon on Sunday, but have had no assistance or even encouragement, and I think that I shall have to discontinue it. By the time I preach twice on Sunday and teach a Sunday School Class, I have about had it !

I have tried three times this month to hold a meeting of Trustees, but cannot even get enough to come to the meeting to conduct business.

There is no study here and no space for one except in the manse. This makes it almost impossible to get anything done without continuous interruptions. So consequently my sermons suffer and so do I. I have a feeling of total defeat. I have never been so discouraged in my life. It seems to be next to impossible to plan any kind of a program or to organize a system on anything and carry it through to completion, because I cannot count on a single person to do his part. No one seems to feel any sense of responsibility or even to care whether anything happens or not. I feel absolutely frustrated because somewhere in my training I did not learn how to work with people in this kind of setting, nor have I been able to develop it in almost seven years in the pastorate. But of this one thing I am sure....we need something,...I need something or someone to help me !

The best thing that was accomplished this month was that the minister and his family had a holiday during Thanksgiving...the first real one in nearly six months.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

This has been the busiest month in my entire experience in the ministry, and I believe that definite progress has been made in certain areas. One of the factors that has changed the situation in the Sunday School is the addition of two new teachers. Some of the classes have been divided and reorganized.

Attendance at both morning and evening services has improved to some degree over last month.

The choir has held many extra rehearsals. There seems to be a good spirit among its members. Our annual Christmas program was held on the night of Christmas with more than 250 persons attending. Many people from Annette also came.

We had a general clean-up early in the month, and for this the men and the Navigators turned out in good numbers. Our church was bright and clean for the holidays.

An installation service was held on Dec. 6 in the evening. This was well attended and many people remained for the informal reception afterwards.

The annual bazaar was held in the Town Hall on Dec. 11, just one week after the one sponsored by the Duncan Church. In spite of that our group made over \$1100 net. This does not seem to be a good way for churches to raise funds, but here it is more than that. It is a great social activity centering around the church. This is needed in our community. The whole town, including children and youth turn out full force for these affairs, and each church tries to out-do the others.

Christmas week was very busy. We entertained the Youth Fellowship in our home, and also the United Presbyterian Women and the choir. The choir went caroling on Christmas Eve.

We held our Annual Congregational Meeting on December 27, and elected officers for the coming year. The reports of the various organizations were very encouraging. The financial picture looks fairly stable in spite of our continual loss of members. The meeting held in the afternoon was well attended and everyone remained for dinner at the church. That evening we held a service of installation for our new officers.

This coming Sunday our choir will travel to Ketchikan where they will sing at the hospital in the afternoon and at the Presbyterian Church in the ~~afternoon~~ evening.

About 75 persons attended New Year's Eve services in our church.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Yearly reports have been completed and are in again. They show that the people have again made definite steps forward, but the progress could be faster through a deeper faith in Christ. Last year we had more of a gain in membership than we have had in any previous year. We have some new officers who have taken ahold and are already a big help to the church. Some people never take on responsibility until they are given an office and then they do things never thought possible. A new elder, Andrew Hanson, has been much help lately. His wife is the new president of the women's group and really getting things organized.

The congregational meeting turned out quite well as the people were interested in talking about the church and our goals for the year. The need for hymnbooks was discussed, and a visitor volunteered to buy 10 for the church. This set off a chain reaction and before we were through 70 books were spoken for.

The Church Officer training sessions still remain fruitful in the discussions and we trust that they will be a turning point in the lives of the officers.

The Choir is growing, but we lost our regular organist when she moved to Seattle. She was very faithful, and we will miss her. After a farewell party for her I was taking some people home as the streets were very icy and I ran into the ditch. Another car was across the road, so I either had to go into the ditch or hit it. Frances Phillips, George Betts' daughter, is playing the organ for us now.

The trustees are putting in a vent system in the church to give us fresh air when the building is crowded. They are also seeking ways to raise funds for the building addition.

The Ministerial Association rented a film from the American Bible Society and held 2 showings - one for young people and the other for adults. There were a number of people who saw it and commented on it favorably. The name of the film is "Our Bible - How It Came To Us."

The Mariners' Club got off to a good start in the new year with new officers and are going to sponsor a guest book for the church.

I took the Jr. Highs ice skating during a cold spell, and they seemed to enjoy it, but it hasn't made them any more regular in their Sun. Eve. attendance.

Our neighbor's house burned before Christmas, so I have helped him to rebuild and move back in. The whole town helped with labor and material, so I think they made out all right.

The S.J.J.C. team was in Petersburg for a game, and we had a visit with Larry Doig and Gerald Markee.

We had two choirs in town this month - the University of Alaska and our own Sheldon Jackson Choir. The S. J. Choir sang at the high school in the afternoon and at the church in the evening. Everyone appreciated them, and our church was full.

The World Day of Prayer service was held at our church this year with the other churches cooperating. Our choir sang a special number and led the group singing.

A vent system is being installed in the church by one of the elders and should help when there is a large group in the church.

The new Hymnbooks are all paid for now, and it was done before I ever thought it would be done. The people can do more than they really think they can if they put their minds and hearts to it.

Pat and I attended a dinner given for Sen. Bob Bartlett, and it was very interesting to get first hand information from Washington D.C. Petersburg has formed a Legislative Council to make recommendations on bills coming up in the State Legislature. Our Ministerial Association has a representative at each of these meetings.

We had a Communion service on the first Sunday of Lent, but the shrimp canneries decided to work that day as it was the last day of shrimp season. Therefore, a lot of our people had to work to keep their unemployment status.

One of our members showed a film on Japan at our Family night potluck supper.

Our W.F. continues to go along with just a few Jr. Highs and a total of 9 attending for the month. It is very hard on the young people when there are so few of their own age in the church.

Both the A.J. and the P.H. were in this month. We enjoyed the fellowship with the others. The Mariners Club met on the A.J. which several enjoyed, and they were able to learn more about the boat work.

Mayreld Swanson stayed here one night and gave our Sunday School teachers a bit boost by telling them about team teaching and using the facilities we have to the best advantage. We talked over Christian Education plans while Mayreld was here, too.

Welfare and deacon work of the church has plenty to keep us busy at all times.

Our One Great Hour of Sharing offering this year was more as it was presented more thoroughly in the Sunday School through the filmstrips. There was a total of \$53.18 from the church and Sunday School.

One day I was counseling from 9 a.m. to 11 p.m. with two families. One of my members died, and I was calling on her family, and in between times I was talking to a mother and father of a 16 year old girl who was in trouble. By the end of that day I was tired.

Dr. Armstrong was storm-bound here one night and got out the next day. He attended the Ministerial Association with me and was able to give us a lot of help on pending legislation. The day he left, 8 S.J. high school team members and rooters began a 5-day stretch of being storm-bound here. They were fairly good under the tension of waiting.

Myrle Holabird has been staying with us while Gertie and Bill Zeiger are South for a few days and out on the boat.

Some people in town have formed a Legislative Council to act on bills on the floor of the State Legislature. The ministers in town have been attending these meetings to represent all Christian interests.

The Session and Church officers are continuing with the C.O.T. meetings which continue to be helpful.

During Holy Week we had a Communion Service with 32 people attending, and then on Good Friday the Ministerial Association planned a community service at the high school auditorium. This year we showed the film, "Gates of Glory", which was very good and viewed by about 350 people.

We had the church full on Easter, and the Catholic husband of one of our Indian ladies gave a large picture of the "Last Supper" to the church.

The Girl Scouts with whom Pat works (and who meet in the church once a week) held their Court of Awards one evening and received their badges. Parents and friends present totalled about 120.

The women had a rummage sale and sent several boxes of clothing to Kake also.

During this month also Income Tax was done, extra reports made, a Field Survey completed, Presbytery committee work done, and a slide series sent to a church in Texas which requested information. The marvel is: that the children still recognize me and call me father!

Housing is now critical in Petersburg as workers have returned for the road extension and logging people have moved into town. There are a very few places to buy and almost no rentals.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

April was a full month with several interesting visitors to our work, and we appreciated the help which they brought to us.

Miss Rachel Denfer stopped between planes for a luncheon with our women and gave them a big boost. Dr. Leitch and Brian Cleworth stopped to look over our building needs and gave several helpful suggestions. Then at the end of the month Isabel Miller was here over night to see some of our families.

The first part of the month was spent in making the field survey for the Board. It was very helpful in seeing our needs in both the physical and spiritual potential which lies ahead of us. The church officers which read it have a better idea of the church's task in Petersburg. Several days were spent in preparing the Christian Education report for Presbytery.

At the last minute we got someone to take care of the children so Pat could attend Presbyterial in Skagway. We enjoyed the trip and the meetings and the rest from Petersburg.

Several of our people have been sick and in the hospital. It makes a big difference if they are the ones who have held major responsibilities in the church. We continue to feel that the people as a whole are not giving as much time to the church as they have in the past.

The Ministerial Association sponsored the showing of the film, "Oiltown U.S.A." in our church on a Sunday evening. The church was full and the response was very good. Several people were moved by the message of the film.

Both the Episcopal and Assembly of God ministers are leaving Petersburg. No replacement has been secured for the Assembly, but the Episcopal priest from Sitka will come to Petersburg in November.

We have been able to get some yard work done and a little manse and church repair finished.

Preparation for furlough and correspondence with supporting churches has taken a good deal of my time lately.

The children are finishing up in school and will not miss anything that is vital.

The first few days of May were spent in preparing to leave Petersburg for the summer. With the short notice before the furlough we had to make hurried preparations but everything got done.

May 4th I held the Petersburg High School Baccalaureate Service at the High School Auditorium where there were over 200 people present. The school administration was very difficult to work with as they made no consideration for those who attend church on Sunday and yet want the minister to have the service. There should have been a larger congregation and would have been if the time was right.

As soon as we came south, both of us have been speaking about the work in Alaska and showing slides of the work.

I attended General Assembly at Indianapolis and spoke at three supporting churches while in the East. The Assembly was very inspiring and I gained a great deal by attending. The supporting churches were different in nature and interest but I had a good opportunity to present the Alaskan work to them.

We returned from our Purlough on August 19th and were greeted by a wet, foggy day. It was quite a shock to our systems after a summer of sunshine Outside. It took us a few days to get straightened around and unpacked again.

The people enjoyed Mack Peel a great deal this summer, and we have had many fine reports about his work. Several people have remarked how he entered into the community activities and of course, his swimming lessons were a real success.

There was a lot of summer mail to sort and the ordering of Fall supplies took some time.

Within a week after my return I was using the marriage counseling course I had taken in Hollywood. A couple was waiting for my return to be married. I think they must be passing the word around because there have been some couples who have known each other coming for pre-marital counseling, and they have no real interest in this particular church.

The Anna Jackman was in with the returning campers, and the young people seem to have gotten a lot out of their camping experience.

The Ministerial Association had a farewell supper for the Assembly of God pastor and his wife. They have left to take a church in California. They were very nice to work with, and we will miss them. They were quiet and much different from the usual Assembly of God pastors. The Episcopal and Salvation Army people left this summer, too, so there was a general exodus of pastors. The Salvation Army has two men here now. One was formerly at Hooah, and the other is young and new to the work. The Episcopal Church is getting the Sitka pastor in November. I believe he will be semi-retired here.

A grandson of Willie Dugaqua died very suddenly here. Although they returned to Kake for the funeral, I was able to talk to the mother in the hospital. The husband of one of our school teachers passed away very suddenly and I have been busy helping them.

I have been doing a lot of calling before the church program gets too busy and making contacts with new and old people. Bert Cornelius who has been faithful at ushering in our church for the last few years is not too well and is failing fast. We miss his faithful service at the door.

Two deaths and two weddings in the congregation this month ran the length of emotions and took some time in counseling. Often, after contacts in these situations, the people begin to attend church.

The A.J. was in for a few days, and the Simmons were over from Kake, so we saw several of our co-workers and enjoyed talking with them.

I worked on the yard several days getting the stumps dug out so it could be filled in. The city hauled some fill and then stopped, so we haven't done much on the yard yet. I hope that we can get some more done before winter. The city has been using our street for parking their equipment which cuts us off for parking on Sundays. I asked them to move it out of our block, but they haven't done so yet.

A new Assembly of God pastor has come to Petersburg. He is young and has a small family, but I haven't met him as yet. The new Catholic priest for Wrangell and Petersburg, Father Mosey, was at Chamber of Commerce and said that he was to live in Wrangell but that they were planning to station a resident priest here soon.

The Session has been working on plans for our addition, but they ended up by asking me to draw the plans. Something has to be done to impress upon the people that the building is not our real goal, and that if I spend my time on it, we won't have any people in it after we get it built. I am not afraid to tell them, but I don't want them to get the impression that I am complaining. Of course, few of them realize the large scope of a pastor's calling. The Lutheran Church is beginning on their addition soon.

We are short on Sunday School teachers this year so far and do not have any in mind to ask. We are using two high school girls now, and they should be in their own class. Our choir isn't going yet either due to the lack of a director. One of the public school teachers may help us with the choir a little later.

The Session voted to send \$100. to the Rainbow Glacier Camp to help with the fire damage. I was surprised they voted to send this much but glad that they saw the need outside of our own church. I think the use of camp scholarships helped a lot this summer, too.

I have been holding a Hunter Safety Course for some High School students. It runs 4 weeks and just an hour a week but is a way to contact that age.

The new outboard motor has arrived and is in use. It runs well and should be of service for several years.

A lot of time has been spent during the month of October on the church plans. The Building Committee has been getting facts, ideas and estimates to guide them on the drawing of the plans. One of the elders, Tex Cornish, is the Building Committee Chairman and is experienced as a draftsman.

Rev. Roy Jones stopped in Petersburg for an evening meeting with our people. The service planned a potluck supper before the meeting, and I was disappointed that only 10 adults were there with 30 children. The message was very good, and I wish that all of our people could have heard it.

The month was broken up by the Fall Presbytery in Ketchikan which took a week including travel. I felt we got a lot accomplished in the meetings, but I didn't enjoy the weather on the way down.

Following Presbytery I went to Kake for the introduction service for Bob Simmons. Bill Pritchard and I stayed two days and one night, but I wish that we had stayed longer as the Simmons needed encouragement. Their people should be back in town and starting their Fall program in the church soon.

We have had some very heavy rains which washed our city water dam out three times. We all went back to boiling water for drinking and taking muddy baths. The heavy rains almost flooded the church furnace, so I had to dig a ditch through the back yard to drain the whole gully.

The people have requested a Bible Study in addition to the Adult S.S. class which has thrilled us. Only a few are attending, but it is real rewarding to see their eagerness, and these people need to go deeper into God's Word.

I am continuing to use the counseling course to good advantage in pre-marital counseling.

We have had a seige of the measles but now that all of the children have had them we should not be bothered again.

The new outboard motor runs smoothly and is very nice to know that it is dependable and that it will get a person home.

The city hospital has had a shake-up with the nurses leaving and complaining about the doctor. Much of the trouble exists in one family who has had a lot of influence over the nurses and stirred them up against the doctor for helping to convict and imprison a member of the family on a drunken assault charge. The hospital board had no meetings for a year and could not take care of the difficulties. When the Board was reorganized I was asked to serve on it. We are now getting things straightened around, and I hope the difficulties are taken care of for the time being. The Lutheran minister has taken the side of the nurses and continues to stir things up, much to the disgust of the people in town. He may work himself out of a job if he keeps going.

MONTHLY REPORT, CONTINUED

(Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The first part of November I went to Haines for the Haines House Advisory Board meeting. One of my elders preached for me on the Sunday I was gone.

On the same trip I was able to stay with Glen Carson in Juneau and go over the plans for our building. This helped a lot, and I hope it will enable us to start actual construction early in the spring. The people turned out one very wet Saturday afternoon to clear the lot for the addition, and then we had a potluck in the evening. Most of the men were out hunting, but some of the women came to help the few men and almost all the lot was cleared. Final plans for a one-floor, piling-construction, building have now been sent in to Glen Carson for his approval.

The new Episcopal minister and his wife have arrived. Dr. Chapman has served at Sitka for several years and was born and reared in the Arctic where his father served an Episcopal mission. We attended a reception given in honor of Dr. and Mrs. Chapman which was also attended by Bishop Gordon.

Pat is again directing the choir after searching in vain for a director from the congregation and town. She should not have to do this as she isn't feeling too well, but we felt that we must have a choir. We hope to find someone to take it over soon.

The City Council is having the city attorney draw up a new ordinance regulating the sale of liquor. The State has not as yet settled the laws within which the city can operate but when that is done we will be able to draw up our own laws. In preparation for this time the Ministerial Association is circulating petition to close the Bars and Clubs on Sunday. Some of the bar owners heard of this and tried to rush the City Council into some decision, but it was postponed until the new ordinance was drawn up and read for revision. One bar owner called me and asked me to take it easy so they must be getting worried.

There were 56 people present for the Thanksgiving Day Service this year. This was the largest group yet to attend this service, so the tradition is being formed and people responding. The offering was placed in the Deacons' Fund to be used for those who do not have as much as others.

The work in general is going ahead and Spiritual progress is being made, but there are still some blank spaces in response. The youth program is one of the slowest, but this is true all over town. The Sunday School still needs more teachers, and we are using 3 high school girls to help now. One or two are questioning the need for the addition to our building, but they are the ones who do not like to be asked to help on it and have no concern for our Sunday School and young people.

In connection with our Stewardship approach this year, we had the film, "God is My Landlord". Those who saw it were moved by the message. The we set up a dedication of the pledges which seemed to give the whole program more importance to the people. There were more pledges, and the total pledged was far above last year. This shows up even greater in the light of our falling economy. Stewardship is slowly beginning to take hold with these people.

A new Assembly of God preacher arrived with his family shortly before Christmas. I have not yet become too well acquainted with him.

The new officers for the Sarah Magill Missionary Society were installed in a candle-light ceremony. They have some good officers for the coming year and good study material if they use it well.

Most of the December activities center around Christmas. The Mariners' Club decorated the church this year and had a very good turn out to do it. Many new people are being contacted through this group. The outside decorations, designed by Francis Phillips, won 2nd prize for all church and commercial decorations in this year's Chamber of Commerce contest.

At the Christmas Potluck Supper we used a filmstrip and record on Christmas carols, and it was enjoyed by everyone. A committee had gone to a lot of work to decorate the tables and arrange the supper.

A Christmas play was written by one of our Sunday school teachers for the Sunday school children. The children practiced 2 afternoons a week and the teachers helped direct the play. The church was full to overflowing when the time came for the Program. The people in the church had brought White Gifts, articles of food wrapped in white paper, and these were dedicated at the Christmas program. Then the deacons made up boxes to go to families who were in need. We put games, toys, and mittens in these boxes with the food, so they were well received by needy families. It seems that we have more families in need than ever before, this due to the influx in population and lack of work.

The Ministerial Association planned a caroling party for the teen-agers, but there was a very small turn out. The young people are so busy with school activities they don't have much spare time although we arranged it at a time they said they were free.

Our Christmas Eve "Candles and Carols" program is gaining in tradition as a family service. There were 60 in attendance this year as it is early enough in the evening for children to come with their parents.

The Ministerial Association again cooperated in a Watchnight Service for the whole town. I had Bill Zeiger help with the games; the ladies provided refreshments, and the new Episcopal minister spoke at the service.

Dear Dr. Jackman:

The communion services held for the patients in January were gratifying experiences.

Mr. Gavin and I are conducting Officers' Training and Leadership Training for Sunday School teachers in two separate groups on the same evening during a four week period. We had designed this course to include students from Sheldon Jackson school who were interested. Our own teachers and officers have attended but no students.

We are planning a calling program for prospective members during February and March.

The Saturday morning program for children seems to be reaching more Presbyterian children than the week day program. We hope to carry on this program through the summer as a continuation of Bible School.

So many things need to be done - there just isn't time to do every thing.

Thanks so much for the increase in salary. It will be deeply appreciated as I take on the added responsibility of a car. I hope also to be worthy of this thru more efficient service as I become better acquainted with the needs of this field.

Dear Dr. Jackman:

The month of February has rushed by with pretty much routine events. Special things this month included World Day of Prayer - time was spent in preparation with young people for their service - a valentine party, and in friendship calling for the church in preparation for membership classes and Easter services.

The catechisms have arrived. We are using them in a study from time to time with the Mt. Edgecumbe students. Thank-you.

My car has not arrived, but will be coming. I wrote to Mr. Clark and discussed things thoroughly with Mr. Gavin. When Mr. Gavin wrote to you the thought was to get a newer perhaps small car with your help. However, after receiving the price list from Seattle and reviewing all angles Mr. Gavin and I decided that getting this car would give satisfactory transportation with less cash outlay for either you or me. The car is a Studebaker commander, in good repair, undercoated (they tell me this can't be done here) good tires, and not an excessive amount of mileage - does not use oil in excess amount. The car's shipment will be arranged by Mr. Clark if he is able to do this. I have written to him. I do appreciate all that the Board;

Mr. Clark, and Mr. Lavin have done in helping to get my car situation worked out. I have been so busy with other things over the winter months that the lack of a car has not been too serious. However as better weather comes it will help a great deal in time and in reaching the trailer courts.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Dear Dr. Jackman:

March has been another busy month especially before Easter. Highlights of the month - The Girls' Gyn at Edgemoor almost filled on a Tuesday Night to see a Billy Graham film. Edgemoor students who were interested in special Bible study came to the Church two Sunday afternoons for study and fellowship.

Communion was served to 33 at a service in the hospital Easter afternoon. Following the service six patients received Communion bedside.

Several more patients especially Moravian have come into the TB San as they have been transferred from Anchorage and Tacoma hospitals.

The Group of Children in the hospital has been divided. This helps to reach the older children with a program of more interest to them. Some of them participate in the program.

25 to 30 children attend a Sat. morn. program at the Church.

Dear Dr. Jackson:

My car arrived in good shape thanks to Mr. Clark in Seattle. The car has made it easier and quicker to do the work, and I plan to do some trailer to trailer calling in the courts soon.

Presbytery was helpful because of the inspiration and fellowship. It always helps to have a chance to talk things over with you.

Edgecumbe students will soon be leaving. Next year we hope to work out better ways to get to know them more personally than we do on Tuesday evenings. The group is so large and time so short to work with them individually at that hour. There were about a dozen young people who came to the church on several Sunday afternoons for special Bible study + fellowship.

Dear Dr. Jackman:

May was another very busy month because of the end of school activities and the preparation for Bible School. Because of working with the young people of so many different schools I tried to attend their ~~Baccalaureate~~ and Commencement activities when possible.

The Leadership School at Haines was a very fine school and I am sure that it will do a great deal for the churches of Southeast Alaska. Eight delegates attended from Sitka. I enjoyed the fellowship with the workers from other churches.

Dear Dr. Jackman:

June has been another busy month with two weeks of Bible School. The Bible School workers and summer helpers in canneries and villages were here for several days. It was a real treat to meet these fine young people and to share their enthusiasm as they started out on their summer's work.

It was a privilege to have you visit Sitka again with your Seminar, and also to have the radio seminar here.

As plans stand now I plan to leave here about July 14th for a month's vacation. Volunteer workers from the church will take care of the calling at Edgemoor. The children's program will not be carried on until I return.

If I make it to the East coast, I will stop in the office, and will also visit the Leverington Presbyterian Church in Philadelphia which is helping with my support.

Dear Dr. Jackman:

After returning from a very enjoyable vacation trip, I found 86 patients in the hospital besides the children. And so I have been very busy making contacts and visiting them.

During August time was spent making plans and contacts for the Christian Education Program of the church. Some problems from last year were solved, but a whole new set of problems have arisen with the public school moving into the Church building because of lack of room in the school buildings.

The personnel turn over of Church school Teachers and officers have been very great during the summer and fall. The church officers are not ready for use as yet. Hence a challenge this fall. Reba McClure

Dear Dr. Jackson:

I returned from a fine vacation trip to find 85 patients on my list besides the children.

More time was spent in Aug. making longer calls on the patients and getting acquainted with new ones who had entered the hospital while I was on vacation.

I also began the children's program on Saturday afternoons which had not been carried on while I was on vacation.

In the Church, August was a time of recruiting new teachers and workers for the fall program. Since the Public School was moving into the Church Sept. 1st new problems had to be faced in regard to room arrangement and change of program.

Dear Dr. Jackman: September began as a very busy month with many positive T.B. patients in the hospital - 180 Presbyterian preference students in Mt. Edgecumbe School. Planning Conferences, Public school 1st Grade moved into Church Educational unit, teachers meetings, Christian Education meeting and Christian Education Sunday filled the Church program to the brim.

Sept. 22nd I fell at the Edgecumbe student meeting, breaking the pelvic bone, having to spend three weeks in the hospital.

RECOMMENDED OIL CHANGE INTERVALS

As specified by American Petroleum Institute.

For short trips...every 1000 miles

When car is driven less than 1,000 miles per month and for city and suburban driving...short runs, start and stop service on paved roads under moderate air temperature. Includes some longer distance travel at normal speeds.

For long trips...every 2000 miles

When car is driven more than 1,000 miles per month on open highway and inter-city travel on paved, dust-free roads with little engine idling.

For severe driving...every 500 miles

When car is operated over dusty roads or is used for short trips in freezing weather.

RPM SUPREME MOTOR OIL RECOMMENDATIONS

To secure maximum benefits under all driving conditions, reduce engine wear, and give sludge protection, gasoline economy, ease of starting and warm-up, and pre-ignition control—RPM Supreme Motor Oil is recommended for use as follows:

SAE 10W/20W/30

For late model cars using a 10, 20 or 30 grade oil.

SAE 20W/40

For older cars using a 30 or 40 grade oil.

LUBRICATION SERVICE RECOMMENDATIONS

1,000 Miles----	Chassis Air Cleaner	Covered Rear Springs
5,000 Miles-----	Wheel Bearings	Hydraulic Controls
7,500 Miles----	Conventional Transmission	Top, Seat and Windows
	Differential	Oil Draft Tube
	Overdrive	Air Cleaner
10,000 Miles-----		Speedometer Cable
15,000 Miles----	Automatic Transmission	

Thank you for permitting us to do the work you ordered. If any squeaks develop in the chassis parts lubricated by us before 1,000 miles please return your car (with this invoice) and we will be glad to eliminate them — FREE OF CHARGE.

THANK YOU

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient use plain paper to complete report.

Dear Dr. Jacobman: Appreciated your visit very much. I was in the hospital until Oct. 15th and then on crutches unable to go to Mt. Edgemoor or to drive the car. I did attend most meetings at the Church and was able to help the Youth Budget Committee plan their fall program and new Budget.

The work at Mt. Edgemoor has been done by Mr. Garin and volunteers. A Junior College student carried on the Sat. program with the children at the hospital and Mr. + Mrs. Bert Hilson of the KSEIN helped with the student program.

I am real anxious to get back on full time duty and will try to pick up loose ends at the hospital.

Dear Dr. Jackman:

Since November 15th I have been able to go to Mt. Edgecumbe and have tried to catch up on some of the visiting and the work.

With preparations for Christmas and other activities beginning every minute has been full.

The hospital is rather full of patients especially T. B. patients.

Construction workers are moving out and the new Pulp Mill workers are coming in making a change of personnel in the church too.

It is good to be back on the job.

Dear Dr. Jackman,

December was a very busy month with preparations for Christmas Programs and activities.

The car was a big help in getting from place to place faster and since I could not walk quite as well as usual.

The hospital has been extra full of patients during this month. It was a real pleasure to distribute gifts to 102 patients Christmas Eve.

The women of the Church packed treats of candy, cookies, and fruit for the 175 Mt. Edgecumbe students.

The annual Report doesn't fit my work too well. I forgot it in December. I'll enclose it.

Reba McClure
